B.S. Bachelor's Degree in IT Engineering

Computer Science

Vietnam Academy of Agriculture

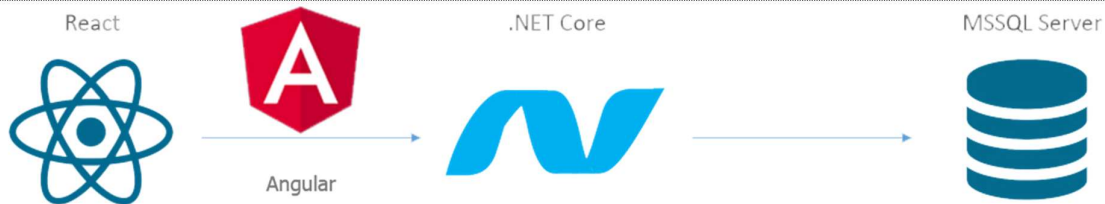

2009 - 2014

I focus on programming web applications and web APIs using .NET Core/NodeJS.

For JavaScript web applications, I am usually using React, Redux and TypeScript for Angular.

For server-side web applications, I am using especially ASP.NET Core MVC with the MSSQL Server.

I am very interested in identity and access management (OpenID Connect & OAuth 2 protocols).
